

In this issue:

- Student Achievement Certificates
- Arts Award
- Annual Art Show!
- Spring Break Workshops

*"Do the best you can
until you know
better.*

*Then when you know
better, do better."*

-Maya Angelou

NEW! Student Achievement Certificates

We understand that our students work tremendously hard to develop their skills in our classes, and we think that they deserve to be recognised for their efforts.

Each book in the Turpentyne curriculum introduces new challenges and exciting opportunities for our students to develop their real art skills. They have always benefitted from their efforts with practical skills learnt that they will carry with them forever.

However, we know that sometimes a symbolic reward is a wonderful way to encourage our students self-confidence and to give them a tactile goal. These are just a couple of reasons that we have decided to award our students with a beautiful Certificate of Achievement when they complete a letter level in our curriculum!

Please take a moment to celebrate your child and their tremendous accomplishments when they bring a certificate home!

Arts Award

Did you know that Turpentyne is an Arts Award Centre?

Arts Award is a fantastic nationwide program which encourages young people between the ages of 11-25 to engage in and deepen their knowledge of the arts through practical, theoretical and leadership exercises. Through this exciting program, students can earn a nationally recognized Level 1, 2 or 3 Qualification in the Arts awarded by Trinity College London.

At Turpentyne, we advise the Bronze, Silver, and Gold Awards, and are happy to offer bespoke advising for students in pursuit of the award.
