Term-Time Classes Resume on 8th September

After an exciting summer of workshops, we are looking forward to term-time classes resuming in September.

If you requested a change of class day or time, you should have received an email confirming your student's schedule for the new half term.

Tuition statements for the new half-term will be sent out this week for 8th September-22nd October and will be due by your student's first lesson in September.

Due to inflation and the rising costs of energy, we have unfortunately needed to increase our tuition rates. From September, 1 hour lessons will be £11 per week and 1.5 hour lessons will rise to £16 per week.

As always, we will continue to offer a 10% discount for families with multiple enrolments. We will also be adding the option of an additional 10% discount for any students who would prefer to pay by the school term (rather than half-term). Please contact us at gosforth@turpentyne.com if you are interested in taking advantage.

Many parents have requested the option to pay automatically so that they need not worry about sorting their student's tuition from one half-term to the next. If you would like to leave your card information on file so that your tuition will be charged automatically each half-term, please complete our [Automatic Payment Authorisation](#) form and bring it in to the studio.
