## New Half-Term of Classes 6th Sept.

28th Oct.

Statements will be sent by email in August

## BACK TO SCHOOL

### Classes Resume Wednesday, 6th September

We are tremendously excited to see our students again after the summer holidays!

**All students will return to the same class day and time that they were enrolled in for June-July, unless you have requested and received confirmation by email of a change of schedule.**

All students who returned the blue schedule request form should have received either a confirmation of their new class timing, or to let you know if we could not accommodate your request. Please do not attend a class for which you have not received a confirmation. Walk in students cannot be accommodated due to our strict class size limitations.

#### A few reminders for the new school year:

- We invite parents into the studios for the final 5 mins of every lesson for Picture Announcement— For many of our students it is the highlight of their week. You don't want to miss it!
- Food, snacks, and sugary drinks are not permitted in class.
- Make up lessons are only granted if we receive advance notice of an absence. However, please keep in mind that only your child's regular seat in class is guaranteed.
- Students must be dropped off and be picked up from their lessons on time.
- Tuition is always due by the first lesson of each half term.

#### **Thank you for your cooperation!**

Please contact your studio manager if you have any questions.

## TUITION FEES

Our long-time students know that we try to keep tuition fees stable, and would prefer to keep increases to few and far between. However the recent changes in the economy have dramatically increased our operating costs. Due to this, we will need to raise fees so that we may continue to provide the excellent standard of instruction and dedicated studio facilities that Turpentyne has become known for.

Beginning September 2023, the weekly tuition rate for the 1.5 hour ~~7+~~ class will increase by £1.50 per week, and our hour long lessons will increase by £1 per week. We hope that this small increase will not be overly burdensome for our studio families.

We would like to remind our studio families that we do offer a 10% discount to students who pay by the full-term. However, please be aware that full-term payments are only eligible for this discount if received within the first week of the school term. You can view the full term fees online at [Term-Time Studio Tuition > September-October Half-Term 2023 | Turpentyne Ltd. \(square.site\)](#)

As always we will apply a 10% discount to families with siblings enrolled. This discount can stack with the full term payment discount for even greater savings.

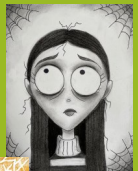

Please feel free to contact your studio manager if you have any questions.

## SPOOKY Art Workshops
