## IT'S ALMOST TIME FOR OUR 2023 STUDENT ART SHOW

**Sunday, 11th June from 1:00-3:00pm at Kingston Park Stadium, NE13 8AF**

We are so excited to share our brilliant students' artwork with all of their friends and family!

If your child has not yet brought in their artwork, please do so by Monday 5th June.

All students are invited to exhibit a piece of artwork made in their lessons at Turpentyne and may invite their friends and family to join them on the day.

This event is an inspiring celebration our artists of tomorrow. You won't want to miss it!

## MAKE-UP POLICY

A gentle reminder to our studio families that although we have a make-up policy in place, it is wholly dependent upon availability.

Please be reminded that per our studio policies only your reserved regular class time is paid for, and as such any missed class is at your own risk.

Make-up lessons are offered as a courtesy, and our staff make every effort to accommodate our students' requests, however they are not guaranteed as a replacement for classes missed. Additionally, prorated tuition will not be granted for unplanned absences even if a convenient make up lesson is not available.

Our staff go to great lengths and spend hours weekly rearranging classes for students. This is no simple feat when classes are fully subscribed.

Shockingly some have felt that the unavailability of a convenient make-up is sufficient reason to berate and intimidate our staff. It saddens us that we need to remind anyone that aggression and verbal abuse will not be tolerated.

Please treat our staff with the level of kindness and care that we treat your children.
